This insurance program is designed for collectors & hobbyists who use their vehicles for shows, exhibits, parades & similar events. The program is not meant for those who use their vehicles for any other purpose. The Collector's Choice quote you are requesting is for trucks that are antique, unique, or of rare or limited design and maintained solely for use in exhibitions, club activities, parades and other display functions of public interest and not used for transportation of persons or goods. The vehicle(s) on this Quote Worksheet will be used on a limited basis consistent with the operation of a collectible vehicle such as occasional pleasure drives and club/hobby activities. I understand and agree the vehicle(s) will not be used frequently for regular driving such as driving to and from work or school, shopping, errands, general transportation or back-up use. Trailer coverage is not automatically extended from a truck. Please list your trailer. Sorry but we cannot insure a truck or trailer containing living quarters.
